11 CITIES/
MUNICIPALITIES

The 2024 Art Competition on the theme "New Technologies for a Better World!" aimed to encourage young people to explore and show through their talent and creativity how digital skills and new technologies can improve lives of people and transform the world around us. Whether it is the improvement of industry, environmental protection, more efficient use of resources, development of medicine or education that becomes accessible to everyone and adapted to individual needs, the competition participants visually approached their view of the digital future.
